PRICING POLICIES

Effective March 1, 2025

FEE POLICY

- **Full payment of fees is due when patients initiate treatment (by day 3 of menses).**
- For PGT-A services, a refundable deposit is required when patients initiate treatment (the refund will be based on the number of embryos tested).
- We accept the following forms of payment: debit, certified cheque, bank draft and all major credit cards. We cannot accept cash or personal cheques.
- Medication costs are not included and purchased medications cannot be returned or refunded.
- All fees are in Canadian dollars.
- Funded cycles are available through the Ontario Fertility Program.

CANCELLED OR CONVERTED CYCLE COSTS

- Cycles may be cancelled.
- Private IVF cycle converted to IUI cycle will be charged the sperm preparation fee of \$750 and the cycle monitoring fee of \$1,200.
- Private IVF cycle cancelled and not converted to IUI cycle will be charged only the cycle monitoring fee of \$1,200.
- Private FET cycle cancelled will be charged a cycle monitoring fee of \$250.

REFUND POLICY

- Credits can be refunded to patients or put towards future cycles.
- In certain cases, the desired outcomes may not be achieved yet our fees are non-refundable.
- You will be refunded fees for any services not rendered.

ONTARIO FERTILITY TREATMENT TAX CREDIT

Now available for 2025

The Government of Ontario has introduced a refundable Fertility Treatment Tax Credit to provide additional financial support for individuals and families pursuing fertility care.

- The credit covers 25% of eligible fertility-related expenses, up to a maximum of \$5,000 per year.
- This credit supplements the existing federal and provincial medical expense tax credits.
- For example, if a privately funded IVF cycle costs \$20,000, you may be eligible to receive \$5,000 back through this program.

Eligible expenses may include:

- IVF treatments
- Fertility medications
- Diagnostic testing
- Travel costs related to fertility treatment

Patients are encouraged to retain all receipts for eligible expenses and consult a tax advisor when filing.
