Consent Appointment ( <i>if consents are not completed ahead of procedure</i> )	\$100

## FEE POLICY

- Prices are subject to change without notice.
- Some fees may only be known after the conclusion of a cycle (e.g., oocyte activation). We make all attempts to inform of applicable fees in advance. However, procedures are routinely audited for accuracy and you may receive an invoice after a service has been performed.
- For your convenience we accept the following forms of payment: e-transfer, debit, certified cheque, bank draft, and all major credit cards. We cannot accept cash or personal cheques.
- Financing options are available and provided via Fairstone Financial.
- Medication costs are not included. Medication cannot be returned or refunded once purchased. See the Medication Fee Schedule for pricing.
- For Igenomix Testing, see Igenomix Fee Schedule.
- All fees are in Canadian dollars.

## CANCELLED OR CONVERTED CYCLE COSTS

- Cycles may be cancelled.
- Private IVF cancelled and not converted to IUI will be charged the cycle monitoring fee of \$840.
- Private FET cancelled will be charged the cycle monitoring fee of \$150.
- Private IUI cancelled will be charged the cycle monitoring fee of \$465.

## REFUND POLICY

- Outstanding credits can be refunded or utilized towards future cycles.
- In certain cases, the desired outcomes may not be achieved yet our fees are non-refundable.
- You will be reimbursed any fees for services not provided. Once a service is rendered (full or partial), fees are valid.
- Egg retrieval with no eggs collected will be refunded \$2,000 of the IVF treatment cycle fee.

**Full payment of fees is due when patients initiate treatment cycle (cycle day 3).**
